MISSION STATEMENT:

The new Kamiah wellness center is intended to **unlock the potential** of the community and improve the overall quality of life through the promotion of: **physical, emotional, mental, environmental, social** and **spiritual** health. The facility will become a place for all youth and families of Kamiah to rely upon for a **safe** environment that promotes **community pride** and **wellness**. Not only will the new wellness center be a place for the community to be proud of, but it will also **inspire** the youth to be proud of themselves.

DESIGN STATEMENT:

Generating a facility that focuses on **feasibility** through **spatial efficiency** and **function**. Incorporating an **economical** building footprint with the use of **local, sustainable** materials that will help boost Kamiah's economy. Despite its small **footprint** the facility will achieve all levels of wellness through the use of **flexible** interior spaces.
